SpeechClub.com

FOR NURSERIES, PRESCHOOLS,
EARLY YEARS FOUNDATION SETTINGS
& CHILDMINDERS

Your Speech Club conversation

A little preparation can help

You do not need to prepare anything formally, we'll just have a chat about how Speech Club can benefit your setting and answer any questions you may have. These prompts can help you make the most of your conversation.

01

What would you like support with?

Think about communication opportunities, staff confidence or bringing more structure to your setting's approach.

02

Who would be involved?

Consider which colleagues should be involved and what they may need to know.

03

What would you like to ask us?

Bring your questions about suitability, how it could fit into your day and pricing - any questions are ok!

What happens next?

Our team will contact you to arrange a call. We'll discuss your setting, explain the programme and answer your questions.

Pricing is tailored to your setting and discussed during the call.

Questions before we speak?
